## WRITE FOR SPECIAL PRICES ON LARGE LOTS

### Terms

On orders for less than \$100, terms are full payment with order. On orders for \$100 or over terms are 20 per cent payment with order and balance at your bank on arrival of seed. Please do not ask for credit.

### Time of Shipment

Potatoes will be shipped as nearly as possible on dates requested if temperatures permit. We suggest shipping early enough to allow one or two weeks for greening seed before planting.

Shipment of other seeds will begin about March 1st, and thereafter will be made as promptly as possible after orders are received, usually within 24 hours.

### How to Ship

Freight is cheapest for 100 lbs. or more. Express is quicker but more expensive except for less than 50 lbs. for short distances. Parcel post is cheapest for less than 50 lbs. up to 150 miles. Trucking rates within 200 miles on full loads compare favorably with freight rates.

### Guarantees

We assume all risks in shipping and guarantee condition and quality of seed to be as represented. Shipments should be examined at the station and any damage or shortage noted on receipt by agent. If seed is not satisfactory do not accept it. Notify us at once and we will replace, if possible, or refund as you prefer. We strive to give complete satisfaction with every order of seed and are glad to say that many favorable comments have been received.
